an exceptional all suite beachfront resort

TURKS AND CAICOS

Somehow, everything seems more expansive here.

The dazzling turquoise of the sea is a little more intense.

The sugar-white sands a little silkier.

*Luxury
spacious*

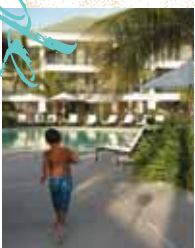

And the Caribbean Plantation style suites a lot bigger.

A free-form fresh water swimming pool meanders through an oasis of hibiscus, frangipani and palms.

Oversized balconies look out on a paradise of sand and sea, lush tropical gardens and graceful island-inspired architecture.

Spacious, beautifully-appointed suites set the standard for luxurious accommodations.

Life moves at a restful, more gracious pace.

A leisurely breakfast on your private balcony.

A deliciously indulgent afternoon pampering yourself with a variety of spa services offered either at the spa or in the comfort of your own suite.

A perfect dinner at the casually elegant Hemingway's Beachfront Restaurant, lit by candles, tiki torches and seasoned with soft tropical breezes.

Where the spirit of the tropics lives large, and friends and
guests come back again, and again, and again.

The Turks & Caicos Islands, B.W.I.

Only 80 minutes by air from Miami, just south of
the Bahamas and a little north of the Dominican Republic
you will find the cluster of enchanting,
sun-splashed Caribbean islands known as
The Turks & Caicos. A dependency of the UK,
these English-speaking islands have
become a popular destination for sophisticated tourists.

The Sands at Grace Bay makes its home on
Providenciales or “Provo,” the cosmopolitan heart of
the Turks & Caicos.
